Annex 7. List of Subject areas / Academic disciplines for Curriculum reform projects

* Please tick the appropriate boxes below corresponding to the academic disciplines identified as priority subject areas for the Curriculum Reform projects in your country for Tempus IV Fifth call for proposals

X Teacher training and education science, including:

Teaching and training
Education science

X Arts, including:

Arts (broad programmes)
Fine arts
Music and performing arts
Music and musicology
Performing arts
Design
Arts (others)

☐ Humanities, including:

Humanities (broad programmes)
Religion
Foreign languages
Modern EC languages
General and comparative literature
Linguistics
Translation, interpretation
Classical philology
Others - Languages and philological sciences
History, philosophy and related subjects
History and archaeology
Philosophy and ethics
Humanities (others)

X Social and behavioural science, including:

Social and behavioural science (broad programmes)
Psychology
Sociology and cultural studies
Political science and civics
Economics
Anthropology
Development studies
Social and behavioural science (others)

☐ Journalism and information, including:

Journalism and reporting
Library, information, archive
Documentation, archiving
Museum studies, conservation
Journalism and information (others)

☐ **Business and administration**, including:

          Business and administration (broad programmes)
          Marketing and advertising
          Finance, banking, insurance
          Accounting and taxation
          Management and administration
          Business and administration (others)

X Law, including:

          Law
          Comparative law, law with languages
          International law
          Civil law
          Criminal law, criminology
          Constitutional / Public law
          Public administration
          European Community / EU law
          Others - Law

X Life science, including:

          Biology and biochemistry
          Microbiology, biotechnology
          Environmental science

☐ **Physical science**, including:

          Physical science (broad programmes)
          Physics
          Nuclear and high energy physics
          Astronomy, astrophysics
          Chemistry
          Biochemistry
          Earth science
          Geography, geology
          Geography
          Environmental sciences, ecology
          Geology
          Soil and water sciences
          Geodesy, cartography, remote sensing
          Meteorology
          Applied Sciences and Technologies
          Physical science (others)

☐ **Mathematics and statistics**, including:

          Mathematics
          Statistics
          Actuarial science
          Mathematics (others)

X Computing, including:

          Computer science
          Artificial intelligence

Computer programming
Computer system analysis
Computer system design
Informatics
Operating systems
Computing (others)

X Engineering and engineering trades, including:

Engineering and engineering trades (broad programmes)
Mechanics and metal work
Mechanical Engineering
Electricity and energy
Climate engineering
Electrical power generation
Electronics and automation
Communication systems
Computer engineering
Electronic engineering
Robotics
Telecommunication technology
Chemical and process
Motor vehicles, ships and aircraft
Aeronautical Engineering
Engineering and engineering trades (others)

□ Manufacturing and processing, including:

Manufacturing and processing (broad programmes)
Food processing
Textiles, clothes, footwear, leather
Materials (wood, paper, plastic, glass)
Mining and extraction

X Architecture and building, including:

Architecture and town planning
Architecture
Urban planning
Regional planning
Landscape architecture
Transport and traffic studies
Building and civil engineering
Materials science
Architecture and building (others)

X Agriculture, forestry and fishery, including:

Agriculture, forestry and fishery (broad programmes)
Agricultural economics
Food science and technology
Forestry
Fisheries
Agriculture, forestry and fishery (others)

☐ **Veterinary**, including:

> Veterinary
> Animal husbandry

X Health, including:

> Health (broad programmes)
> Medicine
> Psychiatry and clinical psychology
> Public health
> Medical technology
> Medicine and Surgery
> Medical services
> Nursing and caring
> Dental studies
> Medical diagnostic and treatment technology
> Therapy and rehabilitation
> Pharmacy
> Health (others)

☐ **Social services**, including:

> Child care and youth services
> Social work and counselling
> Social services (others)

X Personal services, including:

> Personal services (broad programmes)
> Travel, tourism and leisure
> Sports

☐ **Transport services**, including:

> Transport services

X Environmental protection, including:

> Environmental protection (broad programmes)
> Environmental protection technology
> Natural environments and wildlife
> Community sanitation services
> Environmental protection (others)

X Security services, including:

> Security services (broad programmes)
> Protection of persons and property
> Occupational health and safety
> Military and defence
> Security services (others)
