European Youth Together

Jean Monnet actions

Jean Monnet in the field of higher education

Jean Monnet in other fields of education and training

Support to designated institutions

Mobility for learners and staff in vocational education and training (VET mobility)

- This action supports providers of vocational education and training (VET) and other organisations active in the field of VET that want to organise learning mobility activities for VET learner and staff
- Wide range of activities are supported, including job shadowing and professional development courses for staff, traineeships and long-term placements, invited experts...

VET mobility - objectives

- strengthening key competences and transversal skills, in particular language learning
- supporting the development of job specific skills needed in the current and future labour market
- sharing best practices and promoting the use of new and innovative pedagogical methods and technologies, and supporting the professional development of teachers, trainers, mentors and other staff in VET
- building the capacity of VET providers to carry out high quality mobility projects, and their ability to form quality partnerships while developing their internationalisation strategy
- fostering the quality, transparency and recognition of learning outcomes of mobility periods abroad, especially by using European tools and instruments
- promoting values of inclusion and diversity, tolerance, and democratic participation

Montenegro in VET mobility scheme - Call for proposals (EAC/S34/2018)

INTERVET

(Internationalisation of VET systems in Western Balkans)

- ❖ Coordinator - Italian organisation *Uniser Societa Cooperativa Sociale Onlus* based in Forli
- ❖ 7 Member States (Belgium, the Netherlands, France, Malta, Spain, Slovenia and Poland) + 1 partner from each of the Western Balkan countries, making a total of 14 partners
- ❖ **Partner from Montenegro: Chamber of Economy**

The Call for proposals EAC/S34/2018

Expectations

- to introduce the “culture of learning mobility” in the field of VET that Europe has been knowing since the launch of the Erasmus programme
- increase the capacities of VET teachers and headmasters on learning mobility and planning managing process of mobility projects
- to prepare young people for the transition to the labour market and at the same time support the development of local economies
