project team**

**Impact and
dissemination**

How to make a competitive Jean Monnet proposal?

Before you start you should have:

Project concrete
idea

Comprehensive
knowledge about
the Jean Monnet
action

Minimum number
of partners

Application tips

Present all information in application.

Explain the working methodology and provide evidence of your expertise.

Describe project in a focused and structured way.

Support your statement with facts and figures.

Demonstrate that you will produce concrete and sustainable results.

Ask somebody who did not participate in the project preparation, to proofread it.

The proposal should answer the following questions:

Why is your proposal important?

How will these activities happen?

By whom will it be implemented?

For whom is the proposal important?

When will these activities happen?
