

The mobilities of students and teachers from Montenegro

Marina Braletić, teacher

CONTENT

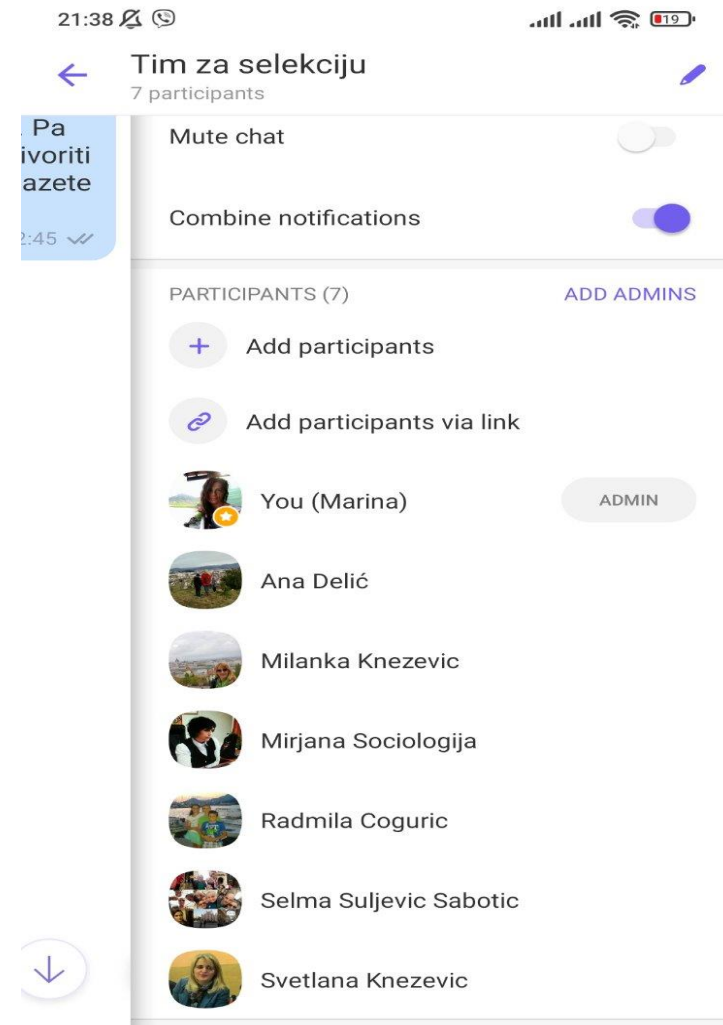

1. Preparation
2. What did we get?
3. What are we going to implement?
4. What we have you already started implementing?
5. Q&A

Where are we:

Must be done	Status
In total 8 mobilities teachers/students In total 4 mobilities for managers	We have done 3 of them We did not start
In all activities have 25 % females	We are doing well so far
Have trainings in all 4 Balkan countries	We have started planning. For 3 of them we have an idea
Transnational partner meetings	We had 2 out of 4
Establishment of Joint task forces	CHALLENGING – some partners started
Organize a conference for representatives from ministeries	There are different opinions among partners – we must decide during this meeting
New curriculum/new programs/material	Seems to have started for some partners

PREPARATION Team for selection

PREPARATION Application Competition

PREPARATION
Meeting with
partners!!!

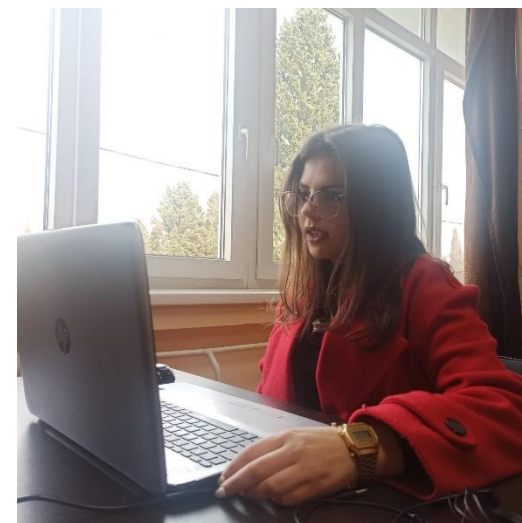

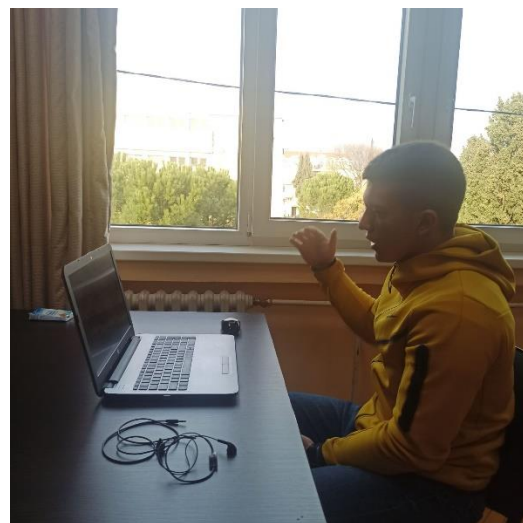

PREPARATION
English language
testing

PREPARATION - Arduino set exercise

PREPARATION Interview

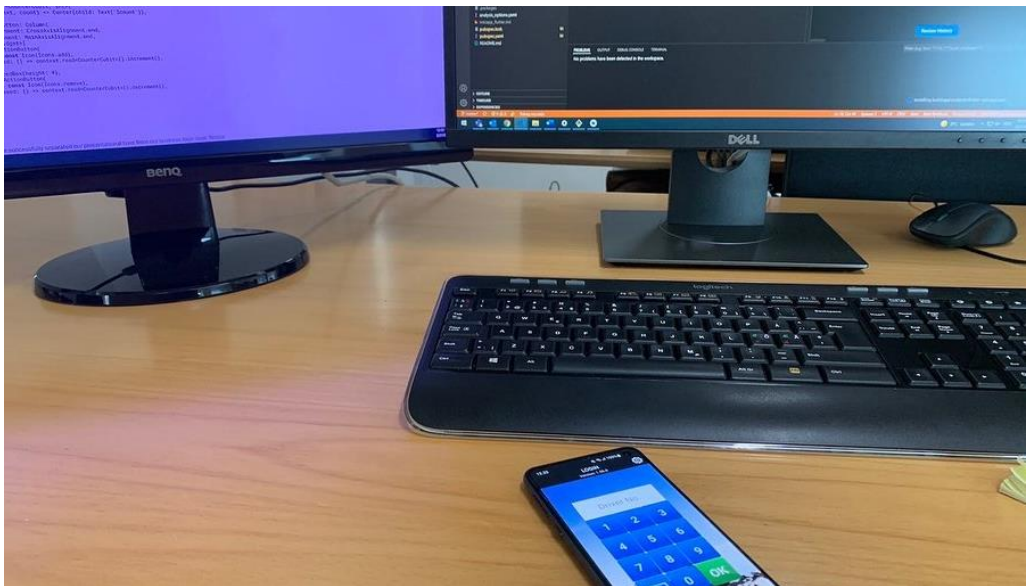

We are on our way

What did we get?

What did we get?

What did we get?

What did we get?

- Denmark is an example of successful implementation of education in the system of functioning of one country
- What did we get? STIMULUS, encouragement that we can do it, support that we needed!

What are we going to implement?

- The art of lecturing is to simplify things
- Better cooperation with companies
- Better connection with institutions
- Girls in VET

What are we going to implement?

What we have you already started implementing?

- Concrete tasks through teamwork
- Cooperation not only with WB countries but also with the EU
- Reaching out the MEDIA

What could be better?

- Host student with students on mobility
- Partnership

THANK YOU!
